

Press Release

June 2000

By Humphreys and Partners Architects, L.P.

DALLAS - Humphreys & Partners Architects, L.P., an 80 person architectural and landplanning firm headquartered in **Dallas**, has purchased a building in **Maitland, Florida for their Florida regional office**. Additional regional offices include **Las Vegas**, Phoenix and **San Jose**.

The new office of Humphreys & Partners Architects/Florida LLC is located at 561 East Horatio Ave. in Maitland, and is headed up by Martin Koch and Michael Gallo. Mr. Koch and Mr. Gallo have over 40 years combined experience in the multifamily, hospitality and commercial architectural arena.

HPA/Florida is currently involved in the design, production and construction administration of multifamily and hotel projects located in Florida and the Southeast, including the new 308-room tower of the **Sheraton World Resort in Orlando**.

Humphreys & Partners Architects, L.P. is an award winning, nationally recognized, full service architectural firm with on-going projects in over 40 states. Their **Big House** multifamily design is a registered copyright and they have trademarked the name. HPA is currently designing **hi-rise, mid-rise**, luxury, moderate, senior, **tax credit**, and **low-income** multifamily projects ? both rental and for sale ? in markets across the country. They also have considerable expertise in the design of hotels, single family and student housing. HPA's recent projects have been featured in *Builder*, *Urban Land*, *Professional Builder*, *Design/Build*, *Multifamily Executive* and *Multi-Housing News*. They have won numerous local and national **awards**, including Pillars of the Industry, Best in American Living, Builder's Choice, Gold Nugget and Aurora. In 1999, HPA was selected to provide design services for housing in **Salt Lake City, Utah** to be used by media personnel during the 2002 Olympics.
